Hi there, A Belated Happy New Year to you and yours. Thank you so much for your prayers and support last year in 2019. As you know we oversee the GRNUK office and we have recently moved our home and office to Erskine, near Glasgow in Scotland. From there we send out our recordings and flip charts around the world. ***This is one of our favourite things to do.*** Almost every week we send out lots of flip charts and audio recordings. Our 5fish mobile phone app has over 6,500 languages & dialects available to listen to or download in all these languages. We give out many hundreds of these 5fish cards which are brilliant for anyone from all these languages to hear the Good news in their own language. We work through many partners. We send them the materials they use them and give them out. People are hungry for the Word of God and especially those who haven't even got a Bible in their language.

Isaiah Ch 55 v 10-11, says "As rain and snow come down from heaven & does not return to it without watering the earth and making it flourish, so that it yields seed for the sower and bread for the eater, V11 So is my word that goes out from my mouth. It will not return to me empty but will accomplish what I desire and achieve the purpose for which I sent it. " This is what we do at GRNUK. We hardly ever get to meet or know who hears our recordings, but we can trust this verse and know that God is sovereign.

Some memories from last year. Our recording trip to **Georgia** was very special. The people we met were so friendly and we recorded in several languages including Georgian & Mingrelian. We worked through a local church and made our recordings in their basement Sunday School room. All the recordings we made are now available on our GRN web site. We will also take lots of the recordings with us for distribution when we go again in May.

In November we travelled to **Thailand** for GRN's 4 yearly Council Meetings, when all the team leaders from over 35 countries get together for meetings, fellowship, worship and encouragement. This council meeting was certainly one of the best we have attended with great unity of purpose and to hear the amazing stories of what God is doing around the world through the work of GRN.

Other news: Usually each year we take a team to Kosovo to work along side the local church. In Gjakove. However in 2019 we didn't go as the pastors wife had given birth to their beautiful little baby boy at that time . We felt not to visit and let them enjoy this special time with their new little boy instead of having us there. We hope & plan to go again this year.

Our move of home and GRNUK office to Scotland was quite a smooth transition & we are so blessed to be here. We were amazed but not surprised how everything "clicked" into place with our new home in Erskine and our new GRNUK office here in Linwood, Paisley. We had been praying about a move to Scotland for maybe 18 months. What amazed us most was getting the office so quickly meant we never had to stop working or sending out our orders of materials. Thank you for your prayers.

We are in the process of looking for some new Board and Trustee members here in Scotland, although our existing UK Board will still function as usual. Already we have several people in mind who Sally our Chair Person will interview at the end of February. Kenny will still travel to High Wycombe every 2-3months to meet with the existing Board team for meetings, fellowship and catch up.

How Will they Hear?

How will people around the world hear the Good news unless someone goes and tells them? At GRN we have an amazing opportunity to reach 100s of language groups with the Good News through our recordings and materials.
