Colin Smart Card for family and significant others

- C:** Giving **comfort** - being there by touching, loving care and a positive feeling.
- O:** Provide **options** - give patient a say and do not give instructions, rather show how to ...
- L:** Note the **language** tone - keep calm and in control, no sudden sounds.
- I:** Avoid **issues** - do not try to solve problems or want to provide new insights.
- N:** Focus on the **now** - share the experience, do not mention the past, or point to the future.
